

**Recent  
Operations**

By Paul Rardin

He was just another Legionnaire Monday. He marched down Clematis street in the West Palm Beach Armistice Day parade as did hundreds of Palm Beach county Legionnaires. - He was one of four men chosen to head the group of marching ex-service men. With an overseas cap set jauntily upon his head, he sat gaily upon that of Uncle Sam's doughboys of 1917-18. Governor-Elect Speppard L. Holland participated in the parade in a manner fitting to a true member of a democratic organization. By thousands of adherents the governor-elect must have enjoyed those brief moments of respite from the all too near burdensome duties of heading a great state. Today he is the man who will be elected January 1, 1941, he may be the governor of a great state. But, on Monday of this week he was just another with a burden in mind, marching with his buddies in the time of stirring martial airs. And thoroughly enjoying it.

A year ago in this column I said "I'm going to make an effort to keep up with Bill Beebe when he goes to college. I know it isn't always necessary for a fellow to have a lot of weight, making a collection of books." If Bill Beebe doesn't make somebody's college foot ball team, I'm going to be disappointed." Today I say the thing that Beebe stated: "The thing that Beebe was liaison to Henson's Blue Devils last Friday night in Fort Pierce. He's far better than last year and when he graduated next year I've a hunch he'll be a college legend and bringin' around ready to latch onto him."

After all the fussing and fuming about the happenings last time a Miami team beat us in Pahokee—it bothered every fan, to his ultimate to the viewing of St. Thomas boys in their time.

Dr. Gandy and the Mothers' club are making plans to entertain the group of youngsters. Each of us can do our little bit toward making their visit to Belle Glade a pleasant and memorable one.

Do you have an American flag in your home? Do you have one in your place of business? If you don't have one, you should. Here's your chance to get a great big flag without cost. The first 100 flags will be given away free. The flag itself measures 60 inches by 36 inches) is made with seven stripes and printed stars in clear, fast colors to make your heart glow with pride. The flag is constructed with a strong, blue-lacquered, six-foot pole ornamented with a gilt ball top. The halyard is 113 inches long. The rest is a cotton braid.

Government releases stated

that contributions would be made in Florida cities on air projects as follows:

Ft. Myers: \$40,283; Lakeland: \$27,790; Tampa: \$24,410; Orlando: \$14,576; Lake City: \$4,058; Vero Beach: \$4,674; Tallahassee: \$25,000; West Palm Beach: \$22,250; Orlando: \$3,363; Ocala: \$1,835; Key West: \$1,000; Sarasota: \$5,028.

We raise the question, why not some of this development for the Lake Okeechobee region, where we have plenty of land and water, and all the air space any nation might want for the use of its air force?

Reid Clifton, a member of the state road patrol was a visitor to Pahokee over the weekend. He had been promoted to sergeant in the patrol work and his territory has been expanded from three counties to eight. Which all goes to show he is living up to his reputation of being efficient and efficient work. His many friends in this area were pleased to hear of his promotion and predict for him much success.

Leonard S. Martin, a

fireman held fair in Belle Glade

Belle Glade firemen are holding their annual benefit show at Rader field this week, with Sherman shows as the main attraction.

Good attendance has been recorded at the fair.

Their convention is also to be held there, with a well planned program set up for their entertainment.

**Belle Glade Town Council Prepares For Busy Year**

Risk And Baker Take Up Jobs As Members Of Body

For the first time in almost a year the City of Belle Glade now has a full membership on its Board of City Commissioners, and reorganization was effected by a majority of adherents the government must have employed the few brief moments of respite from the all too near burdensome duties of heading a great state. Today he is the man who will be elected January 1, 1941, he may be the governor of a great state. But, on Monday of this week he was just another with a burden in mind, marching with his buddies in the time of stirring martial airs. And thoroughly enjoying it.

At the special election on Tuesday, Messrs. W. P. Risk and J. K. Baker, well known local citizens, were elected to fill the vacancies caused by the removal from the city of B. Y. Evans and Gordon Hamilton, each having been a voter of 97 by the voters given a chance to vote.

Those who appeared in council, were administered the oath of office by Peace Justice G. A. Hubbell, and were sworn in at the council chamber.

Chairman Hugh J. Bradley made his announcement of appointments to council committee chairmanships, stating that each man was to be in charge of the duties assigned to him.

The Keese Packing Company, which includes the headquarters for the Glades, has been granted a building permit, and are erecting a sizable packing house, located on the site of the Kristen Seed Company buildings along the Florida East Coast right of way.

**AFG At Lord's Place In Glades**

The American Fruit Growers Association, which is operating in Belle Glade section for the first time this year, will also operate in the Dade county sector, handling lettuce and celery. It will conduct packing and shipping from the Kendall houses. Dade county farmers will plant more celery and lettuce than ever before. The latter is believed to be that of Rod Bliss potatoes.

The company has its offices and the headquarters for the Glades at the present location.

Subscription Price \$2.00 Year In Advance

The Belle Glade News Is Entered at the Post Office

In Belle Glade, Florida, as Second Class Matter.

Paul Rardin ... Publisher

Next holiday—Thanksgiving on Thursday, November 28th.

Have you counted the days remaining before Christmas? Only 39 if our calendar is correct.

This fall brought the finest bean crop the Glades has experienced for several years. Excellent yields. Exceptionally high quality. And all of this at a time when prices make it almost impossible for the grower to harvest his crop.

A group of Glades hunters are wondering just how many times when the sun is up. They are at a loss to know if the sun is up when you see it or if it is up when the almanac says it is.

Orchids to the Pahokee band and its director, Robert Lampi, for the splendid performance in the Armistice Day parade at West Palm Beach.

The Pahokee high school band committee is in the midst of raising \$650 to purchase uniforms for the band. Have you given your bit? You can attend the St. Theresa and Blue Devil "B" Team on November 22nd and help swell the fund. Every dime taken in at the gate will go to the uniform fund.

On Saturday night between halves of the Stuart-Pahokee game a ticket to the St. Theresa-Pahokee "B" Team was sold to the highest bidder for \$6.50. That \$6.50 will help in outfitting some member of the Pahokee high school band in a swanky uniform.

### Hobsonmen Defeat—

(continued from page 1) this getting out of danger, and in doing so they displayed their best foot defense of the year.

Pearcock doesn't get all the honors, for Mike Sanders, Ross Black, Carl Covington and W.A. Stevens were in there giving their best, which was very, very good. These lads announced up plays, did some terrific hard blocking and tackling. Stuard had a fine play, too, but the game was over by the time used, and he was the only one that was not effectively stopped by the Pahokee boys.

No score was counted on either side in the first quarter, but in the second Peacock scored the first six points. In the third quarter, Pahokee worked the ball down to Stuard's 15 yard-line. Stevens maneuvered his way into the end zone and scored, and Peacock forced him a perfect pass for the second touchdown. The lead was in the last quarter, but the final score was Peacock seven to the first six points.

Belle Glade Club To Visit Sarasota

Over at Sarasota, the Ringling family, has one of the most famous art galleries in our land, which attracts thousands to its portals each year. It is natural to expect that the magnificence of the collection will want to take a good look at the exterior of the building, before entering to spend a delightful period in viewing the priceless collection of art treasures.

The works of the great masters of the Art world, the sculpture work of the greatest sculptors, and many other exhibits, will be given extensive attention.

Mrs. Dodge has given the rules for operation of the nursery under WPA sponsorship, as follows:

The nursery will be located in a room children, working eight hours a day; no children under two or

The annual Palm Beach county gridiron classic—the game between Coach Frank Hobson's Blue Devils and Coach Clyde Crabtree's Palm Beach High Wildcatters—is already creating a great deal of interest in these parts. Hobson's boys naturally would rather win this game than any other one on their schedules. The Palm Beach Hi grididers are just as determined to win. The game—scheduled for Friday Night, December 6 on Lake Field in Pahokee—is sure to draw a record crowd.

In Unity there is strength. From here it looks like we're going to need a lot of unity and strength during the next years to come with ever arising situations at home and abroad. However, with that gentleman from Imperial Polk sitting in Tallahassee and another gentleman from Hyde Park sitting in Washington, we here in Florida shouldn't have too much to worry about.

Wendell Willkie won for himself a vast number of admirers on Monday night when he expressed his post-election views. His was the voice of the loser, but the voice of a splendid spokesman who is willing to abide by the will of the majority.

The federal government is planning to expand the present migratory camps on the shore of Lake Okeechobee. Already they have proven too small for the vast number of migrant workers who seek decent living quarters.

The American Legion members throughout Palm Beach county are doing commendable work for the splendid parade staged in West Palm Beach on Monday of this week. The parade was impressive and the ceremonies in Flagler park will long be remembered by those who were in attendance.

The county board of instruction is moving along with its plans for validation of the bonds voted in the recent election. Nearly three-quarters of a million dollars are to be spent in two school districts in an effort to provide larger and better facilities for the boys and girls who are seeking an education.

On Saturday night between halves of the Stuart-Pahokee game a ticket to the St. Theresa-Pahokee "B" Team was sold to the highest bidder for \$6.50. That \$6.50 will help in outfitting some member of the Pahokee high school band in a swanky uniform.

### Fort Pierce Wins—

(continued from page 1) Pierce made a march down the hill and won. Smith across for the second touchdown and later a conversion point.

Stuard, Steward and Sanders were the lone stars for Pahokee, and they sure did spill their opponents all over the gridiron. They made it possible for Peacock to score his first world-class touch down, which was as efficient as efficient as that of Beebe. However, the defense was set for Peacock and others pocketed the chap. However, he did break away and ran for their money, and the Ft. Pierce fans hymned him "the flying Peacock."

Great credit Ft. Pierce band, in its yellow and green uniforms, paraded the field in fancy drills, and good music. The Pahokee High Band also gave a like performance, and was given a mighty fine hand all around the gridiron.

It was in the last quarter that the lead changed hands. In the third quarter Kautz fell on a Stuart fumble, placing the ball on the Pahokee 16 yard line. Peacock faded back to his 10 yard line, as if to punt, saw an opening, took off and ran down the field over the end zone, dodged the sideline, dodged all the Stuart players, and sailed over for an 84 yard run for a touchdown, and later kicked the conversing point.

It was in the last quarter that the lead changed hands. In the third quarter Kautz fell on a Stuart fumble, placing the ball on the Pahokee 16 yard line. Peacock faded back to his 10 yard line, as if to punt, saw an opening, took off and ran down the field over the end zone, dodged the sideline, dodged all the Stuart players, and sailed over for an 84 yard run for a touchdown, and later kicked the conversing point.

**SIDE LINE CHATTER** Coach Evans brought along the Stuart band, very good one, too, and drill program which was a big hit by the fans. The Pahokee High band was out there strutting its stuff, and the band, too, did a good job, too.

Fans are expected not to forget the benefit game on November 22nd, when Doan's Tab's St. Theresa school team of Coal City, Indiana, will play the Pahokee "B" team. This should be well patronized as the proceeds are for the band uniform fund.

Lake Worth was out in force, and roared its approval. They were treated the Doan's as Lake Worth plays here on November 27, for the annual Thanksgiving Eve game.

**P.T. A. To Meet On Monday Evening**

The regular monthly meeting of the P.T. A. will be held Monday evening, Nov. 18, at 7:30. The hostesses for this meeting are the teachers of the first four grades: Mrs. Lence, Mrs. Anderson, Mrs. Kerr, and Mrs. Michael.

**REDICK'S HURT** Redick, general station agent at Canal Point, is moving around very carefully these days as a result of a peculiar accident which befall him on election night. While listening to radio election returns, he lost his balance and chair to pick up a paper from the floor, and slipped from the chair, resulting in rib and ligament injuries.

## Odds and Ends About State

Caillard can deliver the goods.

Pahokee school faculty members enjoyed the song fest which he lead, after the steaks try at the Beardy Inn and Clewiston. He also sang some of the qualities of the comedian, as all present at the gathering will testify.

### NOTICE OF APPLICATION FOR TAX DEED

NOTICE IS HEREBY GIVEN THAT No. 20, Darden, holder of Tax Certificate No. 20, filed in the office of the Clerk of Court on August 1, 1940, has filed same in my office to be named thereon. Said certificate is for Pepsi-Cola in this territory, who is giving his personal attention to this program on one-half of the Hospital and School, the small banks will be sent up to the Society's headquarters.

These small banks are being

placed in leading stores and shops

in all community centers of the

county, where they will continue

their appeal until December 1st.

According to the agreement

made for Pepsi-Cola in this terri-

tory, who is giving his personal

attention to this program on one-

half of the Hospital and School,

the small banks will be sent up

to the Society's headquarters.

Ground was broken for the hospital and school July 4th. The South Florida Crippled Children's Society, an amateur organization, presented the assistance of former Congressman J. Mark Wilcox as legal adviser for the committee in charge of the collection of gifts, with the contributions for the hospital and school.

The Crippled Children's Hospital offers one of the greatest opportunities for real service to humanity that the people of this section have ever known. The collection of funds for the hospital is now in progress.

Every citizen should consider

it a privilege to be permitted

to have a part in this important

work of the community.

When hundreds of handicapped

children will be given a break

in life's race, and certainly nothing

could be more desired than that.

I am greatly impressed by

the enthusiasm given by the

people of this section.

For the past year, Wilcox said,

he has been working

on the project.

"HARDWARE HEADQUARTERS IN BELLE GLADE"

### MAKE ROUTINE AUDIT

Auditors are busy this week making a routine check of the business affairs of the Everglades Federal Savings and Loan association at Belle Glade, of which Hugh J. Bradley is the efficient secretary and treasurer.

**SUBURB VISITS PHENIX**  
Jack Surrett, formerly of the Bolton drug store, now in hospital work for the Government at Miami, spent the week end visiting his many Pahokee friends.

### NAME NEW HOSPITAL HEAD

Mrs. H. C. Schwine, of Birmingham, Ala., who has been the efficient superintendent of the West Palm Beach Hospital and the association's Memorial hospital at Pahokee, will leave that position on December 1st, to return to her home to care for ailing personal business matters. Upon the announcement of the retiring superintendent, Miss Evelyn Stewart, who has been assistant superintendent in charge of school organizations, will become the new superintendent.

### FISH IN CANALS

When the high waters came to the lands in and about Okeechobee, this summer, many lake and ocean fish found their way into the canals. Now that the waters have receded the fish have found refuge in the drainage canals, and it is reported that fishermen are having a gala time catching the fish, which are stated to be plentiful and large in size.

### REMODEL BUILDING

The Pahokee Drug store room in Belle Glade is being remodeled by contractor Pete Muller, and will soon be occupied by Harry Lee, who will move from his present location.

### NEW LODGE MEETS NOV. 26

Belle Glade Lodge, F. & A. M., which was recently chartered by the Grand Army of the Republic, met at the auditorium in the city hall there, on the evening of November 26th. At this time much preliminary work will be considered by the membership in connection with getting the new lodge under way for future work.

### NEW PAHOKEE TEACHER

Miss Jane Evans of Marion, a graduate of the College of Wooster at Tallahassee, has been added to the faculty of the Pahokee Elementary schools, where she will teach a fourth grade class, an assignment from Mrs. Anni Holt's department. Miss Evans made her home with Mr. and Mrs. Robert Loutrel.

### VISITED FARM TRAIN

A large number of people who are interested in agriculture went to Moore Haven, Wednesday afternoon, where they visited the Government farm, which was making available of live stock, seeds and forestry exhibits. The train was operated under the joint sponsorship of the State and Federal departments of Agriculture.

### DINING ROOM BEAUTIFIED

Beautiful and attractive as it has always been, the management of the Clewiston Inn, has had the lobby and dining room redecorated and improved. The work was done by Bob Coker, a Clewiston boy, who has a great ability in producing interior decorations of attractive nature.

### ST. LUCIE TOMATOES ON THE ROLL

The first carload of sand grown St. Lucie county tomatoes were shipped by rail out of Ft. Pierce

THE BELLE GLADE NEWS, BELLE GLADE, FLORIDA

The above photograph is an illustration of the advancement of the ice industry in Belle Glade and Pahokee. This group of well dressed and courteous business men is the delivery force of the ice plant. They have greatly improved their territory by taking over the retail delivery formerly conducted by C. C. C. of Pahokee. Mr. Clem finds his duties of looking after the car icing activity requires most of his time. This small group of men have recently made outstanding achievement in the sale of ice using appliances and the communities which they serve are enjoying first class ice refrigeration service. From left to right they are: Leslie Angel, Alton Sapp, Harry Harrison, George Hudspeth, Earl Reeves, Clifford Horne, D. G. Herring and Johnnie Reason.

Saturday, provided from the lands of the Ideal Farms east of Okeechobee. Growers report the finest stand of crops to date, and are gratified in that section. These tomatoes are now in competition with the hot house crop from the Clinton, Ashtabula, and Compton section of the state. The market has been delayed, because the Ohio fruit is ripe, and the Florida fruit is yet green when it reaches the market and must await maturity.

### NEW GAME RESERVE

Jupiter Island territory, on and after November 20th, will be taken over by the State Game and Fish Commission. No hunting or fishing will be permitted in its precincts for a five year period. The island lies in the Jupiter inlet and the Intercoastal canal territory. Hunters have had much sport in this scope of the land in the past.

### DECIDE FLAG POLE

On November 1st, at Okeechobee, the first flag pole and flag given by the U. S. Marine Corps, will be dedicated under the auspices of Clarence Alderman Post of the American Legion. Addresses were made by Glancy O. Wallace, Post commander; T. E. Conley, Post Jr., and Capt. of County Schools, H. H. Hancock.

### GO TO TENNESSEE

Rev. E. E. Davis of the Pahokee Baptist church, left by motor Tuesday, for northern Tennessee, where he goes to look after estate matters, and will likely be gone for several weeks.

### BACK FROM NEW ENGLAND

Lawrence Herrington, better known as "Bob," has returned to Pahokee from a vacation in the summer months in the New England states, where he was assisting his brother in his, trucking business. Red got over into Canada on a short vacation and likes the cross lake country fine.

### STINGRAY WOUND

Two months ago, while fishing at the ocean, Roy Hawk, of Canal Point, was stung by a stingray on his leg. The wound is still giving Mr. Hawk considerable discomfort as it has not yet completely healed.

### PONSETTIA'S IN BLOOM

These beautiful red toned flowers are now in full bloom in the glory of their beauty and attractive bloom, which reminds one that the holiday season is all too near for most of us.

### PRESENTED BAND INSTRUMENTS

Jack Smith, drummer in the school band, is now sporting a new drum a present to him from his parents. His son, Earl Smith, Louis, the other son, will soon be in the band, as he has been presented with a fine cornet on which he is learning to play.

### ARMISTICE DAY PARADE

Most of the members of Manfield Post, American Legion and V. F. W. attended a part in the annual Armistice Day program at West Palm Beach. The Post took the Pahokee school band along to be its parade escort, and the band received hearty applause along the line of march for its excellent work.

### PLAY POSTPONED

The play has been postponed

by the Senior League of the Methodist church in Pahokee has been postponed until Sunday evening, Nov. 24.

### CANAL POINT WINS GAME

Canal Point, the mid-term half team won to Delray. Team defeated, won a 19 to 6 victory. Delray led 6 to 0 at the end of the half, but Canal Point scored three touchdowns in the fourth quarter.

### Library Board Meeting

The Pahokee Public Library Association will hold its monthly meeting on November 2nd at Mrs. Cleo Douthit's on next Monday night, at 8 o'clock.

### GILLIS GETS APPOINTMENT

D. Stuart Gillis, of Indianapolis, well known state of politics, and former president of the Florida State Senate in 1937, is to be first assistant to the new attorney general, Tom Watson, who takes office next January.

### NEW MILK IN POSTOFFICE

Contractor Maxey is making arrangements to have milk delivered to Pahokee, by siding up to the back wall, where the plastering has been worn off. Patron will appreciate that change.

### INDIANS HAVE NEW MANAGER

Glades fans who follow the records of the Cleveland Indians of the American League, will note that runner-up in the Delray Tigers in the 1940 flag race, now know who the new manager will be. President Bradley, Tuesday, engaged Roger Peckinpah, of Clewiston, former manager, to take over the team to success. Oscar Vitt, who was deposed at the end of the season.

### LEGAL ADVISORY BOARD NAMED

Selective service enrollees, who may have legal questions bothering them are to have free consultation with a committee composed of Herbert Beck, of Belle Glade, Archie Hall and Thad Whidden, of Pahokee.

### LOSES SCHOOL SUIT

L. M. Lilly, who tried Mrs. Caroline Biles for Biles County Superintendent of Public schools, by two votes, lost his court suit to have a record of two precisions. Judge George Whitehurst dismissed the case.

### GROVE INSTALLS OFFICERS

The first regular session on the Woodmen Circle, at Bell Glade, has assumed regular sessions on the first Thursday night of each month. At its session, this week it installed its new corps of officers. State officers were present at this meeting.

### FIRST SAND CHIP

The first car shipment of timber, cut and processed at the Indiantown sawmill, owned by Martin and Associates, was forwarded to northern markets during the past week. The fruit was said to be very fine and of best quality. Sand, land and a great producer of quality produce.

### GETS PLANE LICENSE

Al. A. Berger, who has built himself a new airplane, has been dusting and other purposes, has been granted a federal license for the machine.

### PLAY POSTPONED

The play has been postponed

day, Nov. 23rd. The shoot will be carried on again on the following Monday, Tuesday and Wednesday at the same times until all the turkeys are gone.

All are invited to take part in these events.

### DUCKS DISAPPEAR

Hunters jammed the north lake Okeechobee, looking for the opening of the duck hunting season. Good shooting was reported the first few days of the season, but since then the ducks seem to have sought safer climes.

### TO BUILD NEW HOME

Frank Rossie has started the erection of a new dwelling on his lot on Barfield highway in Pahokee.

### SCOUTS ENJOY CAMP OUTING

The Hudson scouts at Andrews Bay, was the site chosen for a week end camp by the Canal Point Boy Scout troop and officers. There the members enjoyed swimming, boating, fishing and wood craft work, and also the good

cats. Those making the trip were:

John M. O. Shewell, James Stinson, Roy Pope, Donald Hartman, Richard Bourdais, Billy Dibach, Jeff Fowler, Neil Henton, Dennis Wilson, Ray Hawk, Junior Hoyell.

WEST PALM BEACH BELLE GLADE

# • WE ARE FLORIDIANS •

Nothing that we might say in this message to the people of Florida would be more expressive of our unbounded faith in all that Florida can provide for those of us who live and work in this favored land, than is evidenced in the new office building that we opened to the public last week.

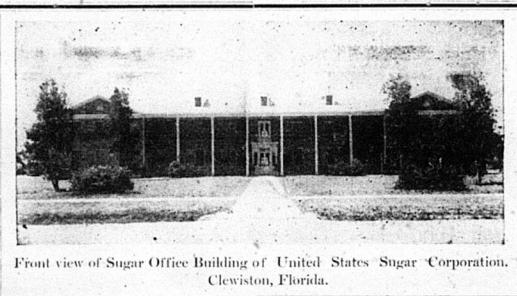

Built around the men who have given their best that Florida's latent resources might be brought to the service of mankind, there has grown a great producing plant that, in its every detail, is dedicated to employment, continued development and maximum service to Americans.

Out here in the Everglades there exist opportunities for constructive effort unparalleled in all America. Recovered from wild, inaccessible areas, towns, villages, factories, schools and modern developments of many

come to live and grow with "Sugarland." We, too, have gained much in our association with these industries and result-getting people. We have been happy in helping in all ways possible, to make them happy people.

No effort or contribution that we have been able to make, has had anything but our heartiest co-operation and the results that today are exemplified in this modern office facility, for our friends and co-workers, as well as ourselves, are indeed most gratifying.

We are Floridians and in that declaration we take much pride. Our life's and business' objectives are centered in these Everglades. No detail of fuller development of this "Empire Of Opportunity," whether for us or our fellow workers, will be overlooked. To the obtaining of all the things that will make Florida a more self-sustaining land, we pledge our research and resources.

Front view of Sugar Office Building of United States Sugar Corporation, Clewiston, Florida.

kinds have become realities where just a few years ago snakes, panthers, alligators, wild cattle, and water birds reigned supreme.

Thousands of miles of ditches, serviced by huge pumps, now have "Sugarland's" acres under effective water control and on that wide-spread area, many square miles of sugar cane rustle in the breeze. Railroads crisscross fields of the Okeechobee region, packing houses hum with activity, for in addition to sugar cane, hundreds of thousands of acres, now under water control, produce many thousands of ears of beans, celery, potatoes, lettuce, carrots, and numerous other crops. All this has been made possible by reason of the helpful, constructive co-operation of the United States Sugar Corporation.

It has been inspiring to work with those who have

To the fullest development of men and the natural resources of a land potentially rich beyond current viewpoints, we will give every encouragement, and the co-operation of every man in the employment of the United States Sugar Corporation.

We thank everyone who has in anyway been friendly and helpful in the things that we have accomplished. "Sugarland" lies before you a wide-spread example of the co-operation of rich soils, a kindly climate and earnest effort, by earnest men. To this happy land, we invite you, whether you are a welcome winter visitor, or a resident of the "Empire Of The Sun."

Please come and be assured that we will consider it not only a friendly gesture, but be certain that you will be shown every courtesy by the
